

Guidelines and expectations for self-led groups

Nau mai, Haere mai
Welcome to Waikato Museum

We're thrilled to have you visit with us and we hope that you will enjoy yourselves and feel you have learned something new. Before you enter the galleries, please talk with your group about the best way for you all to get the most from your time here and make sure that those sharing the space with you also enjoy their visit.

Here are some things that will be useful to talk about:

- How you move through the galleries and the Museum
- Using the lifts
- Why some exhibits are there only to look at
- Caring for the exhibits you can touch and have fun with
- How much (and what type of) noise is ok
- Following directions that Museum staff may give
- Being responsible and looking out for each other
- Making sure other Museum visitors have a good time too

If your group is interested in taking photos, please ask our front desk host about our photographic policy.

Have a great time and please ask us if there is anything else we can help you with.
